

VHS WEEKLY UPDATE

Ventura High School - 12/03/2021

GET TO KNOW LILIA DUQUE

Congratulations to VHS junior, Lilia Duque. She created the 'Blue Box Project' last year as a way to thank all local health care workers, such as Community Memorial Hospital and Ojai Valley Community Hospital. She reached out to all VUSD schools and asked students to write letters to health care workers thanking them for their service to our community during the pandemic. Last week she was recognized for her leadership in this project. (Photo courtesy of @cmhshealth's Instagram)

BRING YOUR CHROMEBOOK TO SCHOOL EVERY DAY

VHS does not have one-day loan chromebooks for students who forget to bring their chromebooks to school, but students are welcome to come to the library and use one of the desktop computers. Just like textbooks, students are checked out one chromebook each.

We encourage teachers to let the front office staff know if they need additional devices so we can support our students with tech to access the curriculum.
