VENTURA HS Health & Safety Protocols

COVID TEST KITS & N95 MASKS

N95 masks and COVID test kits are still available through the Records Office incase any student would like to still pick one up and has not.

VENTURA HS Health & Safety Protocols

- VUSD testing allows VUSD staff to reach out to students or staff members who test positive. If one tests positive from VUSD testing, then a health staff member will be in contact to discuss your status.
- A PCR test taken at a non VUSD location is NOT reported to VUSD, therefore please ensure the following if a positive result is received:
 - Do not attend school
 - Notify health services at 805.641.5115 x 1028

If you receive a positive result on a home test, do not come to school and proceed to a PCR test. You can also contact the VHS health services office for additional guidance. Contact: Julianna School (school nurse) and Betty Ketch (health tech) at 805.641.4115 x 1028

If you are sick and/or display any COVID symptoms (fever, headache, sore throat, coughing, and stomach ache), please stay home as a precaution. Proper mask wearing while indoors (i.e. classrooms/library/cafeteria/gym) is required in alignment with VUSD and VCPH COVID safety protocols. Proper hand sanitizing and hand washing is encouraged. Athletics: All indoor sporting events will be limited to 4 spectators per athlete. Spectorator names will be monitored through an athlete submission process. This is effective for the month of January pending new information.

MASKS:

Masks are required for indoor events. If mask policy is not followed, attendees will be asked to leave the event. This requirement is in alignment to VCPH and district guidelines.
