

For the future of every student

CLASS TITLE: PARAEDUCATOR II

BASIC FUNCTION:

Under the immediate supervision of an assigned supervisor and general direction of a classroom teacher, specialist or therapist, assists in providing academic, behavior and social-emotional supports to individual or small groups of students to enhance learning. Monitors and reports student progress according to state standards, classroom objectives and the individualized education program (IEP), including health and/or behavioral plans. Assists students in developing various self-help skills, including hygiene, toileting, eating, social, community and leisure/recreational skills. Provides non-intrusive medical health assistance and/or emergency specialized medical support.

DISTINGUISHING CAREER FEATURES:

PARAEDUCATOR I

Assignments within this job classification may be allocated across various general education and special education programs within the District, including intervention and resource services. Advancement to levels II & III require more advanced knowledge, skill, and ability to work with special student populations or in specially recognized skill areas. NCPI (Non-Violent Crisis Intervention) training preferred.

PARAEDUCATOR II

Assignments within this job classification may be allocated across various general education and special education programs within the District, including mild/moderate classroom environments. Advancement to level III requires more advanced knowledge, skill, and ability to work with special student populations or in specially recognized skill areas. NCPI (Non-Violent Crisis Intervention), First Aid and CPR certifications required.

PARAEDUCATOR III

Assignments within this job classification may be allocated across various special education programs within the District, including moderate/severe classroom environments, students with significant medical conditions requiring ongoing support and administration of specialized medical procedures, and/or requiring intense behavior supports. Advancement to Lead Paraeducator requires more advanced knowledge, skill, and ability to work with special student populations or in specially recognized skill areas, and the ability to lead, mentor and train other paraeducators within these areas. NCPI (Non-Violent Crisis Intervention), First Aid and CPR certifications required, as is ABA (Applied Behavior Analysis)/IBI (Intensive Behavioral Intervention) training.

- All duties performed by a Paraeducator I may also be performed by a Paraeducator II and Paraeducator III.
- The Paraeducator I provides emergency health-related assistance to students as needed. The Paraeducator II will primarily provide non-intrusive medical health assistance and/or emergency specialized medical support, whereas a Paraeducator III may provide intrusive medical assistance, including daily specialized medical support.
- The Paraeducator I and II may be tasked with learning and implementing management plans, including basic techniques such as prompting, or guidance. The Paraeducator II requires NCPI training, and may require training and knowledge in areas such IBI and ABA, whereas positions assigned to Paraeducator III are responsible for implementing behavior intervention strategies requiring significant training and knowledge of ABA (Applied Behavior Analysis), data collection, assessment and recommendation of appropriate intervention strategies or providing specialized medical support to one or more students who require special accommodations and services in addition to supporting curriculum.

REPRESENTATIVE DUTIES:**ESSENTIAL FUNCTIONS:**

Provides academic, behavior and social instructional assistance to individual or small groups of special education students in mild to moderate classroom, distance learning and/or community environments.
