Learning

The logo is a stylized illustration of a clipboard. At the top center is a white rectangular clip. The clipboard's body is white with a black border. A yellow horizontal band across the middle contains the text "VENTURA HIGH SCHOOL" in bold, black, sans-serif capital letters. To the left of this band is a black-and-white line drawing of a student's head and shoulders, facing forward with a slight smile. To the right of the yellow band are three horizontal black lines for writing. Below these lines are five small circles arranged in a horizontal row, and at the bottom right is a larger rectangular box, all intended for additional information or a signature.
