COUNSELING DEPARTMENT

Balboa's three school counselors help develop students' abilities to find success in the educational and social environment during the middle school years. Each school counselor is certified with a minimum of a master's degree and a School Counseling Credential, making them uniquely qualified to address academic, college and career, and social and emotional needs. Counselors provide all students with the lessons necessary to build their knowledge, skills and attitudes to support their academic goals. Collaborating with students, parents, teachers, administrators, and outside resources, school counselors focus on the best interests of each student.

Balboa counselors spend most of their time working directly with students individually, in small groups, and in the classrooms delivering academic, social/emotional, and college and career lessons. We find this stage of life exciting and we enjoy the opportunity to help your children map out their future plans for middle school, high school, and life beyond high school graduation.

How to See Your Counselor

Students can check in with counselors about many questions and concerns during nutrition and at lunch. For questions or concerns that may take more time or require more privacy, parents and students may request appointments with a counselor by filling out an Appointment Request on the Balboa website (<http://www.venturausd.org/balboa>) under the Counseling tab. The Counselor of the Day may be able to accommodate walk-ins, but it is best for parents to request an appointment and to leave details about the question or concern. If you have an immediate concern that requires immediate attention, please contact an administrator by calling the main office at [\(805\) 289-1800](tel:8052891800) and pressing "0" to get through to someone right away.

Parents, if you have concerns about grades and assignments in a specific class, please contact the teacher directly through a voice message or an email.

Counselor of the Day

A Counselor of the Day will be available every school day to assist with urgent issues that cannot wait for an appointment.

STUDENT SERVICES

ATTENDANCE PROCEDURES

On the day the student is absent, please report the absence to the school:

- Email our attendance clerk at Amada.Casteneda@venturausd.org
- Leave a voice message at our 24-hour number (805) 289-1800, x1002
- Student can bring a note the day they return to school between 8:30-8:50am. The note should include the student's first and last name, the date absent, reason for absence and parent/guardian signature.

All absences must be cleared within three days or they will remain unexcused.

In addition, the Ventura Unified School District's attendance program will generate letters to notify parents/guardians and students of excessive excused absences and trancies. These letters are a courtesy to parents and guardians to make them aware of attendance issues. If a student has multiple uncleared absences or trancies, parents and students will be required to attend a School Attendance Review Team (SART) meeting. Continued attendance problems will lead to a School Attendance Review Board (SARB) meeting, which could result in fines.

FOOD SERVICES

In order to ensure a safe and positive lunch environment, students are expected to:

- Walk to socially distanced lines; no running
- Maintain their correct spot in line with no cutting
- Keep backpacks away from the serving area
- Eat in the designated outdoor areas: Blacktop, Snack Bar area, Great Court, grass next to playing fields
- Keep eating areas clean by disposing of food, waste/trash and recyclables in correct marked containers
- Keep glass containers off campus

School-prepared breakfast and lunches are available for all students each day free of charge this year.

**School success starts
with attendance**

The Health Office is located in the administration building. The health technician is on duty from 8:30 a.m. until 3:00 p.m. daily. The health technician is able to provide first aid and monitor the self-administration of student medication. In the event of an emergency, school authorities will call a parent and/or 911. As a reminder to parents and students, always notify the attendance clerk and health technician of new phone numbers and changes in

case of an emergency. The school nurse has scheduled times at the school site and is available by cell phone as needed. Any student becoming ill or injured during the school day must report immediately to the health office before they call parents/guardians to leave campus.

Students requiring prescription and/or over-the-counter medication must obtain a medication authorization form from the health office. This form is required for all medications taken during school hours. The form includes an area for the parent and physician to complete on each medication required during the school day. If parents have any questions, please contact the health office for clarification.

The Health Services Department provides the following programs for students in the Ventura Unified School District:

- Vision/Hearing Screening - K, 2nd, 5th, 8th, some special education, and students new to California.
- Tdap and Varicella immunization in cooperation with Ventura County Health Department at levels prescribed by law.
- A school nurse who serves as a resource person for the teachers, parents and community.

Policy for Taking Medicines at School

Because one child's medicine may be harmful to another, no medication, prescription, or over-the-counter, may be brought to school, taken or stored outside of the health office.

When it is essential to a child's health that he or she takes medicine during school hours, the district policy requires that:

1. The medicine must be prescribed by the child's physician and accompanied by a Medication During School Hours form completed by parent and doctor.
2. Prescription drugs must be in the original pharmacy container, labeled with the child's name, date, medication, dose and time to be taken at school.
3. The parent must bring the medicine to the school's health office.
4. Medicine will be administered in the presence of the health technician or school personnel as designated by the principal.
5. Certain health problems, such as asthma and diabetes, demand that the child develop an understanding of his or her problem to assure responsibility for self-management of medication. In these cases, with the proper paperwork filed in the health office and instruction from the school nurse, a student may carry his or her inhaler and self-administer.
6. Non-prescription medication may not be given at the school unless deemed necessary by the doctor. The same procedure as for prescription medication must be followed.

Accident Reports and Insurance

The Ventura Unified School District does not provide coverage for a student's hospital or medical expenses due to injury incurred while participating in school activities, instructional or extra-curricular, or injuries occurring to or from school. There is accident insurance available for parents to purchase. Information for this is sent home at the beginning of the school year. Parents may also inquire about it at the office at any time.

Injuries: When a student is involved in an accident at school that results in an injury, the student must report the injury to the supervising teacher. If a student is injured going to or from school, the health technician must be notified as soon as possible. All accident claims will be handled on the basis of the accident report. The claim cannot be signed unless such a report has been filed.

Wheelchairs, crutches, casts: Students returning to school after any accident or injury requiring a wheelchair, crutches, or cast are required to provide a physician's note allowing them to use the wheelchair or crutches on campus. Students must continue to comply with school dress and safety codes, including wearing appropriate footwear on both feet at all times. This note must include duration of the limitations and explanation of the level of physical activity this student is allowed to have while participating in P.E.

In the event of serious illness or injury, the parent will be notified. In serious emergencies, the paramedics will be notified and then the parents. It is very important, and a parent responsibility, to ensure that the emergency card is complete and kept up to date throughout the year.

LIBRARY SERVICES

The library will remain closed during non-class hours. However, students may continue to stop by to pick up and return books and materials outside the library. Check the library website at www.venturausd.org/balboa/library for instructions on how to request books to check out. Each student is responsible for books and materials borrowed from the library. Students must use their ID card to check out books and take Accelerated Reader (AR) tests. Care should be taken to return books promptly. Lost or damaged books are the financial responsibility of the parents. This means students need to check their book(s) thoroughly and accurately and tell their teacher about major damage or mold. If students have a question, they should ask at that time, and not wait until the book is returned. To avoid damage, students should not carry any liquids in backpacks or store any liquids in lockers with books. If at any time a student's backpack or locker gets wet, they should go directly to the library.

Replacement ID cards are available in the library and are \$5.00.

Care of Textbooks

Students will be responsible for the care of their books until returned to the library. Book covers are required for all textbooks at all times. Paper bag book covers are strongly recommended. A fee will be assessed for abused or lost books. (Board Policy #6161.2) Book covers, backpacks and binders must be free of all inappropriate pictures, logos, graffiti, stickers, signs, patches, etc. Missing or defaced barcodes on textbooks will incur a \$1.00 charge.

Overdue, Damaged or Lost Instructional Materials (Board Policy 6161.2)

When property of the district is lent to students, the Governing Board expects that it shall be returned in a timely manner, with no more than usual wear and tear. If the property has been willfully cut, defaced or otherwise damaged, or if the student refuses to return it at the request of a district employee, the district shall afford the student his/her due process rights and subsequently may withhold the student's grades, diploma and transcripts until the student or parent/guardian has paid all damages. As provided by law, the parent/guardian of a minor shall be liable for all damages caused by the minor's misconduct. (Ed. Code 48904) (cf. 5125 - Student Records; Confidentiality) (cf. 5131.5 - Vandalism)

The district will notify the student's parent/guardian of the alleged misconduct before withholding grades, diploma and transcripts. Legal Reference: (Ed Code 48904) Willful misconduct; limit of liability of parent or guardian, (Ed Code 48904.3) Withholding grades, diplomas or transcripts of pupils causing property damage or injury; transfer of pupils to new school districts; notice to rescind decision to withhold.

OFFICE SERVICES

Messages

All phone messages for students are required to be left directly with office personnel who will verify caller identity. If parents come in and drop something off or bring in a message, we will do our best to deliver it. The office phone is for emergency use only.

Passes

Passes are required when students are out of class during class time. When leaving a classroom, students must have a pass from the teacher showing permission to be out of class.

Transportation & Buses

Students should communicate with their parent or guardian prior to coming to school regarding transportation home. Contact VUSD Transportation at (805) 641-5000, x1320, with any questions about district-provided bus transportation.

Visitors

Student visitors are not allowed on campus during school hours.

All visitors entering Balboa Middle School campus are required to report to the office. Parents or guardians are required to call the school to arrange for appointments to see teachers or counselors. This allows the teacher or counselor to prepare for the appointment. Any visitor who fails to report his/her presence and the reason for visiting or who fails to leave the school grounds upon request by the principal or designee has committed an unlawful act and may be prosecuted according to law. (cf. 3515.2- Intruders on Campus) (BP 3515.2) (AR 3515.2)

REPORT CARDS AND PROGRESS REPORTS

All students will receive report cards and progress reports by mail.

Report Cards will be mailed home shortly after the conclusion of each quarter throughout the school year.

	Quarter Ends
1 st Quarter	October 23, 2020
1 st Semester	January 22, 2021
3 rd Quarter	April 1, 2021
2 nd Semester	June 10, 2020

The following are recommended strategies for parents to use in order to help their students be academically successful:

- Monitor assignments in student's agenda on a daily basis and provide parent signature/questions nightly.
- Empty, clean and organize backpack daily.
- Check daily that class work and homework are complete and inserted in correct area of binder for each subject.
- Provide a quiet, monitored area and time for student's academic work to be done.
- Attend Back-to-School Night and be aware of each teacher's name, requirements, and expectations.
- Contact individual teachers with any questions or concerns.
- Be consistent when working with your student.
- Regularly monitor student's progress using Q.
- Stay involved with your student and our school.

Student Work

Students will receive an agenda for their use. Students should write down homework assignments for each class for the week in their student agenda. If homework is not assigned for a particular day, the student should write "none" to indicate that they asked about the assignment. Parents are encouraged to check this agenda nightly to monitor the student's homework habits. It is encouraged that lost agendas be replaced promptly at a cost of \$7.⁰⁰. Students are encouraged to set aside a minimum of 1½-2 hours each night for homework and academic study. No late work will be accepted two weeks prior to the end of each academic quarter.

PHYSICAL EDUCATION

Uniforms - Closed toed sneakers/tennis shoes must be worn.

Medical/Participation Excuses

As with any other class, students must attend physical education even if there are limits on students' participation. The physical education department honors doctors' notes limiting physical activity and will honor parent requests for up to three days without a doctor's note. All

notes from physicians regarding student limitations must be directed through the health office. Physical education teachers will file notes and record dates and the reason for each period of non-participation. The student will remain with their class and either observe activities or help officiate at the discretion of the teacher. We ask that when a prescription of limited activity is given, the doctor suggests some kind of activity which the student could safely perform. Students with excuses from physical education may be asked to assist the teacher or participate in some modified program which recognizes the student's limitations.

In cases where non-participation will be in excess of five days, students will remain with their physical education class and be assigned to such duties as the physical education teachers deem advisable. All missed periods can be made up by making arrangements with the physical education teachers.

Off Campus Notice

There will be times that students will do a one mile walk/run with their respective teacher on and off campus through our neighborhood.

Locker Information and Search Policy

Lockers will not be in use during the 2020-2021 School Year.

Lost and Found

The lost and found is located in room 74. Any item of value found on campus is presumed to be someone's property and should be turned in. Textbooks and Balboa library books are to be returned to the library. At the end of January and June, we will donate all unclaimed items to charity.

Restrooms

Students should keep the restrooms clean, safe and sanitary by following these guidelines:

- Use restrooms for their intended purpose only
- The bathrooms across from rooms 43 and 44 are for 6th graders only
- Refrain from disturbing others who are using the facilities
- Refrain from using restrooms in groups
- Report any vandalism and restroom concerns to the office
- Place all trash in the appropriate containers
- Use restrooms during Break and Lunch to avoid loss of instructional time

Skateboards, Scooters and Bicycles

Skateboards and scooters are not permitted on buses at any time.

A locked bicycle/scooter/skateboard area is available for student use. It is mandatory that bikes/scooters/ skateboards be kept on the inside of this gated area. Locks are not provided. The gated area is open in the morning and immediately after school. The school does not accept any responsibility for bicycles/scooters/ skateboards that are lost, broken, or stolen. Wearing a helmet is the law and it must be worn to and from school. Students without a helmet will have their bikes/scooters/skateboards taken away and kept secured safely until a helmet is brought to school or a parent retrieves it. Repeat offenders will be referred to a resource officer from the Ventura Police Department.

To ensure safety and rider responsibility:

- Do not ride through campus
- Do not cross parking lots when entering or leaving campus
- Students must signal any turns or stops they intend to make
- Students must wear helmets
- Follow all traffic laws and use crosswalks appropriately when traveling to/from school
- Assume that no one can see you – ride defensively

Soliciting At School

Only authorized groups and clubs of Balboa Middle School have the authority to sell anything on campus. These sales must be approved by the ASB and the administration.

ACTIVITIES

Honor Roll and Balboa Passports

All students earning a 3.50 GPA or above in each quarter and maintaining satisfactory conduct will be placed on the Balboa Honor Roll. Students who are on the Honor Roll for the first three quarters of the 2020-2021 school year may be invited to attend the Honor Roll field trip in the spring. Students are also eligible to receive a Balboa Passport entitling them to specific privileges at the end of Quarters 1-3 if they have earned various levels of academic success: 3.5-4.0 grade average (Honor Roll Passport), 3.0-3.49 grade average (Distinguished Passport), or have improved their grade point average by 0.5+ from Q1-Q2 and Q2-Q3 (Excelling Passport).

RULES AND REGULATIONS

Alcohol/Chemical/Tobacco/E-Cigarettes/Vape Pens and Other Drug Use

- Conference with student/administrator/parent or guardian
- Referral to available and applicable school intervention educational support program
- Referral to available and applicable community intervention resources
- Citation by School Resource Officer
- Suspension (formal or informal)
- Alternate placement
- Expulsion

Bus Conduct

All school rules and regulations apply at all on/off campus bus stops, and during commutes to and from school. Bus drivers are directly in charge of students riding the bus. Failure to follow the rules may result in loss of bus riding privileges and other disciplinary actions. The law requires that students obey the bus driver and obey the following regulations set forth by the Department of Transportation:

- Remain seated, facing the front
- Keep head and arms inside bus
- No tampering with equipment
- No trash
- No throwing anything
- No crossing the street to the rear of the bus

- Students must only ride the bus to which they are assigned

Balboa school administrators cannot change, overrule, or alter any bus ticket given to students. All challenges must go through the Transportation office: 641-5000 ext. 1320.

California Highway Patrol, School Bus Drivers and Carrier's Handbook: HPH 82.7, Chapter 6, sections 6.1.1. And 6.1.2

(5 CAC 14105)

6.1.2 Denial of Transportation: Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a pupil to be denied transportation. Dress Code Policy

Backpacks

Backpacks must be free of inappropriate markings, just like books and binder covers. The student's name must be written on the backpack for identification purposes. Each student is responsible for his/her own backpack. Backpacks should never be left unattended anywhere on campus including classrooms.

Cell Phones/Smart Watches

Balboa Middle School permits students to be in possession of cell phones/smart phones/smart watches, however, students are required to turn them off and put them away upon entering the campus. We encourage students to leave all phones and electronic devices at home. Balboa staff is not responsible for any lost, stolen or damaged personal property. The only time a cell phone/smart phone may be used is when it is specifically directed by a teacher for a classroom educational activity. Students may not turn on their phones until the end of the school day. In the rare situation that a student needs to use their phone, that student is required to do so in the office in the presence of an adult. Failure to comply with this rule will result in the phone being confiscated and taken to the office, whereupon it will be returned to the student or the student's parent or guardian depending on severity of infraction and frequency. (E.C. 48901.5, Board Policy #5131 6d) Teachers or administrators may also give additional consequences for using a phone on campus.

Students who use their phones or social media sites to harass or bully other Balboa students will face disciplinary consequences. This is the case even if the harassment occurs off campus.

Earbuds may not be used or visible while students are on campus.

Gum

Students are not permitted to bring chewing gum to school or chew gum while on campus.

Graffiti

Graffiti implement shall mean an aerosol container, an indelible marker, a paint stick, or a glass etching tool as defined herein. (Sec. 6801.6 City Ord. No. 93-21, § 1, 6-28-93)

Any individual who is found guilty of violating this section shall pay restitution to the property owner, lessee or operator of such property, in addition to authorized penalties. If the violator is a minor, the parent or legal guardian shall be responsible for payment of such restitution as to the discretion of the court. (Sec. 6802 City Ord. No. 93-21, § 1, 6-28-93).

BEHAVIOR REFLECTION AND DISCIPLINE PROCEDURES

Restorative Justice

It is the practice of Balboa Middle School to use Restorative Justice as an integral component when handling discipline issues. Restorative Justice is a process that seeks to address and remedy the concerns of the target of harm and create empathy, and greater understanding among the parties involved. By using the restorative process, Balboa staff members hope to further greater understanding among students, assist students in developing strategies or plans so that the harm will not happen again, and allow students to move forward with the feeling that situations have been dealt with in a fair manner. Students who participate in Restorative Justice may still receive additional consequences for their behavior; however, staff members may waive traditional means of discipline in favor of completing the restorative process.

Non-Discrimination/Harassment/Bullying

District programs and activities shall be free from discrimination, harassment, intimidation and bullying, with respect to ethnic group, religion, gender, actual or perceived sexual orientation, color, race, national origin and physical or mental disability. The district shall ensure equal opportunities for all students in admission and access to the educational program, guidance and counseling programs, athletic programs, testing procedures, and other activities. If students feel they are being discriminated against, harassed, intimidated or bullied they should immediately contact the assistant principal or the principal at Balboa. Students who violate Ventura Unified School District's policies on bullying may be subject to discipline, including suspension and/or expulsion.

Sexual Harassment

These behaviors include, but are not limited to unwelcome sexual advances, unwanted requests for sexual favors or other unwanted verbal, visual or physical conduct of a sexual nature made against another person of the same or opposite gender, in the educational setting, when: (Ed. Code 231.5; 5 CCR 4916)

Submission to the conduct is explicitly or implicitly made as term or condition of a student's academic status or progress.

Submission to or rejection of the conduct by a student is used as the basis for academic decisions affecting the student.

The conduct has the purpose or effect of having a negative impact on the student's academic performance, or of creating an intimidating, hostile or offensive educational environment.

Submission to or rejection of the conduct by the student is used as the basis for any decision affecting the student regarding benefits and services, honors, programs, or activities available at or through any district program or activity.

Ventura Unified School Districts policies are communicated through the Annual Notice, postings in the administration building, the Comprehensive School Safety Plan, during student orientation, and the faculty handbook.

Reporting Harassment - If students feel they are a victim of harassment at school or a school related activity, they should immediately report the harassment to an assistant principal or the principal at your school. Harassment complaints may also be made to the District's Non-Discrimination and Title IX Coordinator, Anthony Ramos, General Counsel, VUSD, 255 W. Stanley Ave., Ventura, CA. 93001, (805) 641-5000. If students report harassment they will be protected from retaliation. Investigation of Complaints at School shall be promptly investigated by the principal or designee.

Disciplinary Measures - A student who engages in sexual harassment of anyone at school or at a school related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) shall be taken into account. (Board Policy 5145.7 & E.C. 48980)

The Statement/Incident/Investigation Reporting form is available at the Balboa office and online at the VUSD website. It may be used by anyone in the school community to report serious concerns. Please return completed forms to the Balboa office. Students may also report any concern or incident by completing Balboa's Anonymous Reporting form online at Balboa's website (<http://www.venturausd.org/balboa>).

Class Referral

A student who disrupts a class or breaks school or classroom rules will receive a referral and be sent to the office to see his or her counselor or an administrator for guidance and/or an appropriate consequence.

Detention

Students who are assigned detention for violation of school rules may be held after school the same day that the offense occurs. State law permits the school to detain student for up to one hour daily. (CA Code of Regulations Title 5-353) We always attempt to notify parents and give 24 hour written notice.

Suspensions

A suspension is issued in compliance with the Ed. Code of the State of California (Section 48900) whenever it becomes necessary to discipline the student. The state law limits the total number of days that a student may be suspended from school. The student is entitled to an informal pre-suspension conference except in emergency situations. In emergency situations, the student shall have the right to a conference within two school days. The student has the right to request a hearing to appeal the suspension. For information on appeal procedures, contact the school.
