

Pacific High School

A California Model Continuation High School

Our Mission

Pacific High School exists to educate, in the broadest sense, those students who have not experienced success in the traditional high school program. This education is provided in a climate designed to foster a sense of community where students who have struggled in larger education settings can experience a sense of personal recognition, academic success, and positive identification in a structured yet flexible setting.

Program Highlights...

- Awarded **California Model School Continuation High School**
- Fully accredited by Western Association of Schools and Colleges (WASC)
- **Project-based learning** curriculum engages students in rigorous, relevant content, and the 21st century skills to be successful after high school.
- Offering daily before and after school programming until 2:45pm
- **Caring, experienced staff** makes Pacific High School feel like "home"

School Supports...

- Student to teacher **ratio of 20 to 1**
- Extensive opportunities for students to recoup credits towards graduation
- **2 full-time counselors**
- Student support groups are offered regularly

"I think Pacific High School is better because of the smaller classes and you can get more help if you need it."

11th Grade Student

"The teachers at Pacific High School are great, amazing, and caring. They will do anything to help you succeed."

5th Year Senior Student

"The benefit of coming to Pacific High School is that you have many opportunities to excel academically and in life."
