

Ms. Cruz's Wish List for the 2021-2022 School Year (Room 8)

1. Small headset per child, so as not to share. Available at Lakeshore learning for using with Benchmark Universe and the Chromebooks.
2. Small white/wipe board, one per student to keep in desk.
3. One "Sharpie" permanent marker per student

Group donations:

- Lakeshore Glue sticks. They work the very best, all other glue sticks just do not hold up.
- Extra permanent markers
- Reams of colored paper
- Extra granola bars/snacks

Here are pics of the items I have in mind from Lakeshore Learning.
