## PRINCIPAL'S MESSAGE

The purpose of the School Accountability Report Card is to provide parents with information about the school's instructional programs, academic achievement, materials, facilities, and the staff. Information about Ventura Unified School District is also provided.

Parents and community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program improvement.

Elmhurst Elementary School is the only AVID school in the Ventura Unified School District. AVID (Advancement via Individual Determination) teaches students fundamental learning, study and academic behavioral skills. It is designed to be embedded into daily instruction. It encompasses writing, collaboration, organization, and reading, and utilizes research-based strategies that have proven to be successful.

At Elmhurst Elementary School, we model and encourage having a growth mindset, focus on character development and the importance of kindness and equity. In 2020 we had the Ventura County Teacher of the Year and in 2021 we worked on our AVID room and created a butterfly garden at the front of the school. We are working to develop our science lab, and are continually expanding our technology opportunities. We have recently begun a beautification project to try to give our school a "face lift." In 2019-2020 the school mural, "Elmhurst, Where Kindness Matters" was completed by a local artist on the front wall of the school. We also had a "Sensory Walk" painted in our lower hallway." Additionally, we

collaborate with our middle and high school students to provide diverse learning opportunities.

We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that Elmhurst Elementary School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Through our hard work, we will challenge our students to reach their maximum potential.

We encourage you to:

Read to your child - It is a great way to expand their vocabulary, model the love of reading and spend quality time together. Make attendance a priority - When students are absent from school, for any reason, they are missing learning opportunities. Get involved - Join the PSFO, become a School Site Council member, represent Elmhurst at monthly PAC meetings with the superintendent, volunteer in the classroom or library, help at recess, or assist in organizing a school event.

### District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

### District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to

## STUDENT ACHIEVEMENT

### California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well

students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

### Physical Fitness

In the spring of each year, Elmhurst Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data is reported.

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years."

# SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Elmhurst Elementary School's original facilities were built in 1960; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Campus repair or improvement projects for the 2020-21 school year includes the following:

### 2020-21 Campus Improvements:

- Painting of the playground hopscotch, sensory walks, alphabet and activity obstacle course
- Begin work on AVID presentation room
- Work on the butterfly garden
- Painting of mural

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians (one full-time and one part-time) are assigned to Elmhurst Elementary School. The day custodian is responsible for:

- General Cleaning and Custodial Functions
- Restrooms
- Cafeteria Setup/Cleanup
- Routine Maintenance

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Office Areas
- Restrooms
- Classrooms
- Routine Maintenance

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, two paraeducators, and four ground supervisors are strategically assigned to designated entrance areas, the breakfast area and playground. During recess, the principal and campus supervisors monitor playground activity. The principal, noon supervisors, and paraeducators monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal and campus supervisors monitor student behavior to ensure a safe and orderly departure.

Elmhurst Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Elmhurst Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in November 2021 and throughout the year at faculty meetings.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

## Facilities Inspections

The district's maintenance department inspects Elmhurst Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Elmhurst Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on October 4, 2021. During fiscal year 2020-21, all restrooms were fully functional and available for student use at the time of the inspection.

The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## CLASSROOM ENVIRONMENT

### Discipline & Climate for Learning

Elmhurst Elementary School's discipline policies are based upon a schoolwide discipline plan and Guidelines for Success, which are used as guides to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. At grade level assemblies, the principal emphasizes the importance of following expectations for student behavior. Elmhurst Elementary School employs CHAMPS, a positive behavior support program focused on improving classroom behavior, establishing clear behavior expectations, reducing misbehavior, motivating students to

put forth their best effort, increasing academic engagement, and teaching students to behave respectfully and to value diversity. Elmhurst also utilizes "Kelso's Choice" to assist with decision-making, as well as daily announcements, classroom lessons, and school rules. Elmhurst Elementary School began utilizing the "Second Step" social emotional curriculum during the 2019-20 school year.

### Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Elmhurst Elementary School for the 2020-21 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

### Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

## CURRICULUM & INSTRUCTION

### Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

Ventura Unified School District is currently piloting History-Social Science curriculum is in the 2021-22 school year with adoption and implementation anticipated for the 2022-2023 school year. Currently, supplemental bridge materials are being used to support the implementation of the new History-Social Science state framework.

On September 21, 2021, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #21-25 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home,

# PROFESSIONAL STAFF

## Counseling & Support Staff

Elmhurst Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally.

The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Elmhurst Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

## Teacher Preparation and Credentials

The charts below identify the number of teachers at Elmhurst Elementary School, Ventura Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Elmhurst Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level.
