PRINCIPAL'S MESSAGE

The purpose of the school accountability report card (SARC) is to provide parents and the community with information about the school's instructional programs, academic achievement, materials and resources, facilities, and the school staff. Information about Ventura Unified School District is also provided.

The partnership between a school and the families it serves is perhaps the most valuable resource the school possesses. This relationship is vital to meeting the educational needs of all students. When the community understands the school's educational programs and their functions, and all stakeholders are working together, students benefit.

Poinsettia Elementary School is a connected community of people who are dedicated to ensuring a well-rounded education. Staff and the Parent Teacher Organization (PTO) work side by side to foster wellness and high academic achievement. We are a school of rigorous instruction in reading, math, science and history with safety nets in place to support all kinds of learners. We also value movement and mindfulness, social emotional growth and taking learning beyond the four walls of the classroom. We reach out to families and community at large to join with us in celebrating our lion pride as we work to make our mission become reality.

Poinsettia Mission Statement

At Poinsettia, we ensure high levels of learning for all children through purposeful collaboration, creative problem solving, and collective responsibility. Within a family atmosphere, we honor individual differences and inspire life-long learning to develop the whole child.

STUDENT ACHIEVEMENT

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Poinsettia Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Poinsettia Elementary School's original facilities were built in 1958; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians (one full-time and one part-time) are assigned to Poinsettia Elementary School. The day custodian is responsible for:

- Restrooms
- Kitchen
- Office
- Library
- Cafeteria Setup/Cleanup
- General Cleaning and Custodial Functions

The executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years."

- Routine Maintenance

Facilities Inspections

The district's maintenance department inspects Poinsettia Elementary School on an annual basis in accordance with Education Code §17592.72(c) (1). Poinsettia Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on October 14, 2021. During fiscal year 2020-21, all restrooms were fully functional and available for student use at the time of the inspection.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, two teachers are strategically assigned to designated areas to provide student supervision and one classified staff member is in the cafeteria to monitor breakfast activity. During recess, all paraeducators and two to four teachers supervise playground activity. Three noon supervisors, the principal, and all paraeducators monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the teachers, principal, and paraeducators monitor student behavior to ensure a safe and orderly departure.

During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Poinsettia Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed and updated in November 2021, and shared with school staff in October 2021.

It has been the intention of the School Site Council and Poinsettia staff to work to build a "see something, say something" culture. This phrase is sent out to the greater school community in messages and taught to students during emergency drills. Having this culture ensures that all member of the Poinsettia community including staff, students and families play an active part in maintaining school safety.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and

harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Poinsettia Elementary School's discipline policies are based upon a schoolwide positive behavior plan, Response to Intervention, and Expectations for School Success, which are used as guides to develop school rules, develop behavior management programs, promote responsibility, teach the value of diversity, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. The principal leads positive activities to build school culture and as needed reinforces the importance of following school rules and making respectful, responsible choices in behavior. Poinsettia Elementary School has three universal agreements to show respect, make good decisions and solve problems. We pair this with in class "pride cards" to recognize these

The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

agreements as well as trimester awards. We have a robust intervention team which meets regularly to brainstorm solutions to challenging behavior issues and when needed create individual behavior plans. Our strong student council and active parent organization and volunteering support make the climate of Poinsettia one of active, positive and responsive community for all.

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Poinsettia Elementary School for the 2020-21 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

- Universal Design for Learning (UDL)

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards.
