PRINCIPAL'S MESSAGE

Dear Parents/Guardians and Students:
It is with great honor that I welcome you to the 2021-2022 school year, that will be filled with excitement and positivity as we prepare for a "Come Back" year in Cougar Country. We have experienced challenging times during this pandemic year. We are committed to providing and delivering the love, nurturance, and support our students need.

VUSD is committed to safe, healthy and high performing schools. Ventura High School will continue to value our instructional programs for ALL students, celebrate academic achievement, prioritize school safety, maintain clean welcoming facilities and cherish our amazing staff. VUSD's promise is to help children in our schools find their passion-academically and personally believing that each child has a brilliant future; thus, we work diligently to make this vision a reality at VHS. We set high expectations for ourselves as educators, our students, and each other by creating a culture that promotes growth in a safe environment rich with resources.

VHS will provide equitable and accessible student experiences shaped around individual student dreams and goals, while thriving to achieve and celebrate the "Small" and "Big" victories. Our goal is to eliminate barriers and create opportunities that will contribute to future-ready, responsible and caring citizens.

I look forward to meeting you, building relationships and positively interacting with all VHS connected individuals as we work towards model programs that honor and celebrate achievements.

Go Cougars!!!

Respectfully,
Marissa Cervantes, Principal

District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

DISTRICT & SCHOOL DESCRIPTION

Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. More than 16,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

Ventura High School

Ventura High School serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2020-21 school year, 2,074 students were enrolled, including 11.1% in special education, 16.4% qualifying for English Language Learner support, 0.6% foster youth, 0.6% homeless, and 60.1% qualifying for free or reduced price lunch.

Ventura High School, established in 1889 as the first high school in Ventura, currently serves a diverse student body in all grade levels. Students are offered and provided with a rigorous standards-based, comprehensive curriculum supplemented with a wide variety of extracurricular and enrichment activities. Ventura High School is proud of its standing as the leader in Pacific View League and CIF-Southern Section athletics and award winning performing arts program. Partnering with parents and the community, Ventura High provides an environment that promotes academic excellence, social development, career preparation, and a desire to learn.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative

achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. School-to-Home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through the school newsletters, the school website, the school marquee, the Summer Packet, PTSA website, ParentSquare and Parent Connect. Contact the school office at (805) 641-5116 for more information on how to become involved in your child's learning environment.

The executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years."

STUDENT ACHIEVEMENT

Physical Fitness

In the spring of each year, Ventura High School is required by the state to administer a physical fitness test to all students in ninth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative results can be found at www.cde.ca.gov/ta/tg/pf/.

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data is reported.

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for

subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ventura High School's original facilities were built in 1938; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators and campus supervisors patrol the campus, entrance areas, and designated common areas. Administrators, campus supervisors, and some teachers monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, campus supervisors, and administrators monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

To enhance two-way routine communication and facilitate an immediate response to urgent situations, campus supervisors, administrators, nurse's office, school office, guidance office, attendance office, and school resource officer possess hand-held radios while on campus. During school

hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Ventura High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in December 2021.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Facilities Inspections

The district's maintenance department inspects Ventura High School on an annual basis in accordance with Education Code §17592.72(c)(1). Ventura High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on October 20, 2021. During fiscal year 2020-21, all restrooms were fully functional and available for student use at the time of the inspection.

Facilities Maintenance

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-

routine maintenance requests. Emergency repairs are given the highest priority. Campus repair and/or improvement projects for the 2020-21 school year include the following:

- New student desks in some classrooms

Every morning before school begins, the day custodian and assistant principal in charge of facilities inspect the entire campus for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian/athletic attendant and seven evening custodians are assigned to Ventura High School. The day custodian is responsible for:

- Restrooms
- Cafeteria
- Event Setup/Cleanup
- Trash Removal
- General Cleaning & Custodial Functions

Restrooms are checked throughout the day by campus supervisors and custodians for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Auditorium
- Common Use Areas
- Restrooms
- Classrooms
- Gyms
- Routine Maintenance
- Office Areas

The principal, assistant principal in charge of facilities, and the day custodian communicate daily concerning maintenance and school safety issues.

Dropouts & Graduation Rates

Ventura High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include parent conferences, counseling, APEX, ASSETS program for tutoring support, the FLEX program, full-time credit recovery teachers, flexible learning programs, independent study, evaluation of credit completion rates, transcript reviews, BYU (Brigham Young University) online credit recovery thru adult education, "Get Focused/Stay Focused" thru Naviance, 9th grade Den project to connect 9th graders with juniors and seniors to mentor with teacher advisors for peer mentoring and grade checks, online independent study thru adult education, adult school enrollment, concurrent enrollment in community college, summer school, and referral to a continuation high school. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2019-20 data are most current information available since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found on the DataQuest web page at <http://dq.cde.ca.gov/dataquest/>.

Discipline & Climate for Learning

Ventura High School's discipline policies are based upon a schoolwide discipline plan and the Response to Intervention behavior model, which are used as guides to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. To provide students an opportunity to discuss school rules and expectations with administration, we have developed a PowerPoint presentation to discuss the most common school rules and expectations in order for us to be successful as a school. Discipline policies are outlined in the school agenda; a copy of the agenda is provided to every student and is available on the school website.

Ventura High School employs Restorative Justice and other means of correction. The SAP counselor is available to those students who have received referrals for suspension, and students who are having trouble with behavior issues in school.

The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for Ventura High School for the 2020-21 school year. A “chronic absentee” has been defined in EC Section 60901(c)(1) as “a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.”

Class Size

The Class Size and Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

CURRICULUM & INSTRUCTION

Staff Development

All professional development activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2019-20, 2020-21, and 2021-22 school years, the teachers at Ventura High School had the opportunity to participate in districtwide staff development training focused on:

2019-20 Trainings:

- History-Social Science Adoption Implementation Training
- Multi-Tiered Systems of Support (MTSS)
- MVP Math 3 Training
- Next Generation Science Standards Pilot/Adoption Training
- School Safety
- Social Emotional Learning (SEL)
- Special Education
- SSAE Secondary Math Grant – Cohort 1
- SSAE Secondary Math Grant – Cohort 2
- Strategies for Formative Assessments
- Technology Training
- Universal Design for Learning

2020-21 Trainings:

- Behavior Team’s Role during Distance Learning (Special Education)
- Canvas Basics & Gradebook
- Canvas Course Management 101 – By Site-Based Canvas Leads
- Discovery Education Earth Science
- Distance Learning Plans
- ELA Course Build Peer Review and Support
- English Learner Support and Review and ELPAC
- Facilitated Canvas Course Customization Support (Special Education)
- Google Basics
- History-Social Studies and Elective Course Build Peer Review and Support
- Math Course Build Peer Review and Support
- Positive Behavioral Interventions & Supports
- Science Course Build Peer Review and Support
- Screen Casting with Screencastify
- Video Conferencing
- What Works for Canvas Building 1 & 2

- Utilizing Behavioral Strategies from the Family Guide to Distance Learning
- Zoom and Google Meet Videoconferencing

2021-22 Trainings:

- Model-Based Biology Curriculum Training
- Curriculum Refresher
- Intro Engage New York Training
- Intro MVP Training
- Intro McGraw-Hill Training
- ALEKS Online Math
- Canvas
- Implicit Bias

Supplemental site-based training takes place during faculty, grade level, and department meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2020-21 school year, Ventura High School’s staff development activities concentrated on:

- Google Classrooms
- Landing Pages
- Study Sync, Read 180 & System 44
- Data Analysis
- Critical Reading & Writing
- Mathematics 1, 2 & 3 Training
- Career & Technical Education Pathway Certification Training
- WASC Collaboration

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher’s first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support

and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

On September 21, 2021, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #21-25 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2021-22 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

COLLEGE PREPARATION & CAREER READINESS

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The following table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit the University of California website at www.universityofcalifornia.edu/admissions/general.html.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the California State University website at www.calstate.edu/admission/.

Advanced Placement

In 2020-21, Ventura High School offered advanced placement courses for those students seeking to qualify for college credit. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

Career Readiness

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Ventura High School's technical and career education programs; the counselor meets at least once a year with each student to follow up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Ventura High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Career Education Center
- Workability
- Career Pathways
- Community Service Partnerships for Culinary
- Arts Classes and Landscaping Class
- Southern California Edison Internship

- Discovery Program
- Segue Program

On Campus Pathway Sequences:

Agricultural Business
Cabinet Making and Woodworking
Environmental Resource
Food Service and Hospitality
Network Communications
System Diagnostics and Repair
Vehicle Maintenance and Service
Welding Technology

CTE Student Organization:

Future Farmers of America (FFA)
Future Homemakers of America (FHA)
- Hero
Environmental Science
Performing Arts
Software System Development

On-campus ROP Courses:

Auto Service
Computer Repair & Maintenance
Culinary Arts I, II
Floral Design

On-campus CTE Courses:

Agricultural Biology
Automotive Mechanics I, II
Computer Science
Environmental Field Study
Foods and Nutrition Science
Metal I, II
Ornamental Horticulture (Landscaping)
Professional Theatre/Play Production
Set Design and Construction
Woodworking I, II

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- On-the-job observation
- Classroom observation
- Post-graduate surveys

Work experience students are partnered with local community organizations and local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Career Education Center (CEC) programs are offered in partnership with the Ventura County Office of Education. A variety of career technical education courses are available on and off-campus to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education. Off-campus CEC courses are offered at the county's Camarillo Airport Campus; free bus transportation is available to participating students.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

For more information on career technical programs, CEC, workability, partnership academies, and work experience, contact the counselor or visit the state's career technical website at www.cde.ca.gov/ci/ct/.

PROFESSIONAL STAFF

Teacher Preparation and Credentials

The charts below identify the number of teachers at Ventura High School, Ventura Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Ventura High School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Counseling & Support Staff

Ventura High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Ventura High School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

DISTRICT EXPENDITURES

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2019-20 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2019-20 school year, Ventura Unified School District spent an average of \$11,605 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Note: Cells with N/A values do not require data.

In addition to general fund state funding, Ventura Unified School District receives state and federal categorical funding for special programs. For the 2019-20 school year, the district received categorical, special education, and support programs funds for:

- After School Education and Safety (ASES)
- Classified School Employee Summer Assistance Program

SARC DATA

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Ventura High School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Ventura Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section was acquired in October 2021 and the school facilities section was acquired in November 2021.
