Sunset School Spelling Bee a Success! Congratulations to all of the Spelling Bee 2022 participants!

These students won their class spelling bee and then participated in the school – wide bee. It takes tremendous courage to stand in front of your peers and spell some very difficult words. We are so proud of you for participating. It was a hard-fought battle! Gregory Davis (8th) came out on top and will represent Sunset School at the County Bee in March (held at Cal State Channel Islands). Congratulations also to Celeste Bernauer (3rd) who was our runner up and will represent our school in the event that Gregory can not attend. Great job!
