

SUNSET NEWS ! !

A COMMUNITY OF LEARNERS AND LEADERS

Sunset earns Gold Ribbon Model School Award!

Sunset was awarded California Gold Ribbon status for our student leadership focuses, academic awards, student recognition and motivation programs. These components have made a dramatic increase in student achievement, attendance and school connectedness. School's from throughout the state will come to visit Sunset to see how to implement similar programs at their sites. It is an honor to be recognized as a Gold Ribbon School!

Congratulations to students and staff!

Technology on the Sunset Campus!

- * Smart Boards in every classroom
- * iPads for student and staff use
- * 2 brand new lap top carts
- * New 40 station computer lab installed in 2015
- * Staff development in technology integration and lesson design
- * Student use of Google Classroom
- * Accelerated Reader Program used by all students and home capabilities
- * Moby Max Program
- * Typing program for all students that is accessible from home
- * Middle School electives in technology, video and film editing

Technology integration & 21st Century Learning is alive and well at Sunset!

Feel free to come in and see what we have going on!

National Science Grant awarded to Sunset School!

Mrs. Petra McCullough, 6th grade teacher in the Sunset Middle School, applied for and **WON** the National Science Teacher Association Shell Science Lab Challenge.

Sunset was selected as one of 4 schools in the nation to win the grant! \$8,500 in new science equipment will arrive over the summer. Sunset students will benefit from the lab upgrades for years to come! Congratulations to Mrs. McCullough and all of our students who will benefit!

Go Bobcats!
