Are you interested in helping Ventura High School?

VHS needs a wide variety of students to take part in committee meetings for our school's accreditation through the Western Association of Schools and Colleges. You must be in 9th – 11th grade and able to participate respectfully in a committee of people with differing opinions. Participation looks great on a college application! If you're interested, please see Ms. Tropper in the front office of the administration building for a brief application.
