

LIBRARY

The library is open daily for students from 8:30 – 4:00 Monday - Thursday and 8:30 - 2:00 on Friday. Each student is responsible for books and materials borrowed from the library. Students must use their I.D. card to check out books. Care should be taken to return books promptly. **Lost or damaged books are the financial responsibility of the parents.** This means students need to check their book(s) thoroughly and accurately and tell their teacher about major damage or mold. If students have a question, they should ask at that time, and do not wait until the end of the year. To avoid textbook charges, students should not carry any liquids in backpacks. If at any time a student’s backpack gets wet, he or she should go directly to the library.

- Replacement ID cards are \$5.00.
- Missing or defaced barcode labels on textbooks will incur a \$1.00 charge.

Care of Textbooks

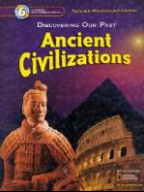

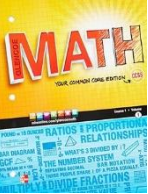

Students will be responsible for the care of their books until returned to the library. **Bookcovers are required for all textbooks at all times. A fee will be assessed for abused or lost books** (Board Policy #6161.2). **Book covers, backpacks and binders must be free of all inappropriate pictures, logos, graffiti, stickers, signs, patches, etc.**

- Do not store papers in the textbook, this may cause the spine or binding to split.
- Do not tape covers to the inside of books.
- Do not use adhesive or stretchy book covers.

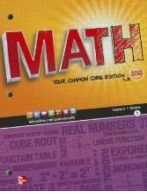

Overdue, Damaged or Lost Instructional Materials (Board Policy 6161)

When property of the district is lent to students, the governing board expects that it shall be returned in a timely manner, with no more than usual wear and tear. If the property has been willfully cut, defaced or otherwise damaged, or if the student refuses to return it at the request of a district employee, the district shall afford the student his/her due process rights and subsequently may withhold the student's grades, diploma and transcripts until the student or parent/guardian has paid all damages. As provided by law, the parent/guardian of a minor shall be liable for all damages caused by the minor's misconduct (Ed. Code 48904) (cf. 5125 - Student Records; Confidentiality) (cf. 5131.5 - Vandalism). The district will notify the student's parent/guardian of the alleged misconduct before withholding grades, diploma and transcripts. Legal Reference: (Ed Code 48904) Willful misconduct; limit of liability of parent or guardian, (Ed Code 48904.3) Withholding grades, diplomas or transcripts of pupils causing property damage or injury; transfer of pupils to new school districts; notice to rescind decision to withhold.
